

THE PRESIDENT

Jerusalem, August 26, 2018

To Mrs. Cindy McCain and all the McCain family,

We were saddened to learn of the passing of Mr. John McCain, a good man, a great American leader and a good friend of Israel. The people of Israel join me in sending you our deepest sympathy at this sad time.

While the United States of America has lost a great leader, we, in Israel have lost a good friend who believed in the importance of the strong ties between our two nations and whose statements and actions made a most valuable contribution to reinforcing and nurturing those ties.

We send our sincere condolences to all the members of the McCain family at this time of your great loss.

Sincerely,

A handwritten signature in black ink, appearing to read 'R. Rivlin', with a long horizontal line extending to the right.
